Festival of Learning Showcase

Facilitator(s): Dr Reva Ramiah, Dr Donna Butorac

Strategic theme: Equipping graduates

Subject Title: Evaluating student learning.

Contact Details: Dr Donna Butorac, CTL Ex: 7839, donna.butorac@curtin.edu.au

Brief Description:

This presentation will problematise the complexity of program evaluation in an adjunct English language program in the Faculty of Science and Engineering. The program provides targeted language development to students who were identified by a post-entry language assessment. It is a short-term, student-centered intervention that comprises eight hours of face-to-face tuition over a semester.

Benefits: This presentation will inform anyone who is involved in program evaluation.

Time/Day: Wednesday March 18th, 12:30pm – 1pm

Duration: 30 minutes

No. of Sessions: One

Venue: Bldg 300.221

Special Requirements: Powerpoint presentation, so we need a computer, projector and screen.
