Festival of Learning Showcase

Facilitator(s): Work Integrated Learning Team Members:

- Sonia Ferns (Project Lead)
- Joshua Soh (Partnership Coordinator, Curtin Business School) and
- Kym Sher (Partnership Coordinator, Faculty of Science and Engineering)

Strategic theme: Leading in innovative education

Subject Title: Work Integrated Learning (WIL) Student Panel: Students Sharing their WIL experiences

Contact Details: Linda Lilly, X2123

Brief Description: Do students value the opportunity to learn beyond the classroom? Come and hear students talk about their Work Integrated Learning (WIL) experiences; including the highs and lows of their placements and whether they would recommend WIL to peers. There will be plenty of time for questions.
