Open Door Teacher

Name: Brian Perrin  
Title: Senior Lecturer  
Area: Curtin Business School  
School of Accounting  
Email: B.Perrin@curtin.edu.au

Dr Brian Perrin is a Senior Lecturer in the School of Accounting at Curtin University, Perth. Over the past sixteen years he has created and managed stimulating and motivating learning environments for his students in undergraduate and post-graduate units. Brian is a Certified Practicing Accountant who draws from over twenty-five years of industry experience in both the public and private sectors to inform his teaching practice. Brian’s ability to create an engaging learning environment through his interactive, approachable teaching style and his innovative use of technologies to provide students with flexible, student centred learning resources have been the keys to his success. His expertise and leadership in digital and online technologies have impacted across Curtin Business School through his sharing of ideas, knowledge and skills.

Specialty areas of teaching

- Flipped classroom; real world examples.
- Discipline: Financial Accounting; Computerised Accounting and Accounting Information Systems.

Description of teaching to showcase to others

Teaching focuses on developing students’ application of theory to practical contexts. This class showcases a Flipped classroom teaching model that is based on real world examples.
