Brief Description:

The Australian Indigenous Mentoring Experience (AIME) is a dynamic educational program that is proven to support Indigenous students through high school and into university, employment or further education at the same rate as all Australian students. AIME gives Indigenous students the skills, opportunities, belief and confidence to grow and succeed. The AIME program is supported and run at a number of universities across Australia, including Curtin.

Want to find out why the AIME program is so successful? Then join us for a whirlwind tour of the real AIME experience. This will include:

- An overview of AIME, its partnership with Curtin Uni and its' impact to date
- Video and media that AIME mentees experience
- Brief workbooks for adult participants designed from Mentee workbooks
- 'surprise' activity

Benefits: Here is what we hope to achieve:

- give Curtin staff a real AIME experience
- leave staff with a better understanding of the methods we use in engaging indigenous youth
- leave staff asking questions, feeling excited and positive about addressing indigenous disadvantage
- having some fun!!
