Festival of Learning Showcase

Facilitator(s): Ms Katy Scott, Digital Learning Coordinator, AHEAD

Strategic theme: Rich, interactive learning experience

Subject Title: Campus Quest: a virtual university experience

Contact Details: Katy Scott, x1977, katy.scott@curtin.edu.au

Brief Description:

Display and interactive activity showcasing Campus Quest, an online interactive game designed to give prospective students an idea of university life and the support services available at university.

This will involve a stall/table with Campus Quest posters and flyers, and I will be there to chat to people about the game, how and why it was created, and what the future holds for it. I can also have five or so iPads at the table so people can play the game themselves.

Benefits:

Showcases the diverse ways that Curtin is connecting with future students and groups that are underrepresented at university.

Time/Day: Tuesday 17 March 2015, 1:00 -2:00pm

Duration: One hour

No. of Sessions: One

Venue: Building 300:Room 221

Special Requirements: No special requirements needed
