Open Door Teacher

Miss Brooke Jones
Associate Lecturer
School of Nursing and Midwifery
Email: Brooke.Jones@curtin.edu.au

Brooke teaches in both the Nursing and Midwifery professions. Brooke has a background of working in tertiary hospitals in Perth, as well as health care facilities in other countries. Seeing a great need for student learning experiences that reflect the reality of health workplaces, Brooke has adapted her unit content into the Simulation Suite. Here, students care for high-fidelity simulated patients to enable self and peer-review, problem solving and leadership skills, and scaffolding of their knowledge base.

Specialty areas of teaching

Simulation-based learning, work integrated learning

Description of teaching to showcase to others

Brooke is showcasing simulation-based learning in the Nursing and Midwifery simulation suite. This is using a practical work integrated learning environment for applying theoretical concepts.

Open Door availability

Unit: Nursing Practice 365
Times Available: Thursday 8-10 am and 10 – 12 noon
Location of Session: Bldg 405.Rm 307
Maximum available visitor number: 2
Available for consultation: Directly after this session and can also be negotiated
