HEALTH AND SAFETY ALERT

Electric Golf Carts

Who needs to read this?

All Curtin University Staff, Students and Contractors that use Electric Golf Carts on Curtin Campuses

Incident Details

An electric golf cart was travelling through a carpark on campus and whilst turning a corner, the driver lost control, resulting in it rolling onto its side.

Recommendations

All areas that operate electric golf carts should ensure that:

- They are equipped with seat belts and they must be used when operating the cart
- The speed is limited to maximum of 30km/h
- Drivers must have a valid Australian driver's license
- Operators have documented training
- Carts have lights, indicators and brakes
- Carts are serviced as per manufacturers/supplier instructions and records held within each area
