INTERESTED IN AN INTERNATIONAL STUDY TOUR?

About the opportunity

Curtin Academy received New Colombo Plan funding from the Australian Government’s Department of Foreign Affairs and Trade to send 240 Curtin Bentley students to Singapore and Malaysia in early 2023 for 2 weeks.

To be eligible for this funding and program, you must be:

• an Australian resident;
• a Curtin undergraduate Bachelor or Bachelor Honours student who has completed at least 100 credit points (i.e., 1 Semester of study).

We are looking to run the Curtin Academy International Interdisciplinary Study Tour Program in early January and February 2023, and possibly June 2023.

There are 80 spots available for students to travel to Singapore and 160 spots available for students to travel to Malaysia.

Scan the QR code or email the Academy to find out more about this amazing opportunity!

Why go?

Experience a two week on-country cultural immersion in either Singapore or Malaysia. Flights, accommodation and the majority of your meals and major activities are paid for through the funding.

Engage in activities such as traditional cooking classes, longboat stays, nature trails, museum and city exploration.

Meet and collaborate with other like-minded students across different Faculties, disciplines and campuses.

Receive guidance and support from industry experts in the host location.

Receive course credit for your participation and add an exciting experience to your CV!
