2026 Placement Support Payment

The Placement Support Payment (PSP) has been developed to address the **cost-of-living** challenges experienced by students when completing a clinical placement in the Goldfields region. Paid in full after completion of placement

\$150 per week
x total placement weeks

Placement Support Payment Option Two

Processed in two instalments

Instalment one: paid on completion of first 4 weeks
(\$150 per week x 4 = \$600)
Instalment two (remaining balance):
paid on completion of placement
\$150 per week x remaining weeks
(capped at a total of \$1,500)
