

HEALTH AND SAFETY

Promoting a safer place to work and study

HEALTH AND SAFETY BULLETIN

COVID-19 Information

Who needs to read this?

All Curtin University Contractors

Background

As concerns are rising surrounding the potential impacts of the COVID-19 pandemic, Curtin University would like to advise contractors that Curtin is continuing to monitor the situation and implement strategies to keep our community safe.

Information

Curtin University has been guided by the Pandemic Plan and the notifications handed down by governing bodies.

Curtin University remains open with limited staff and student numbers on Campus.

Recommendations

Curtin University recommends that all Contractors review the information supplied below and handed down by relevant governing bodies.

If you have a fever, cough or other respiratory symptoms, do not come to Campus.

Who do you call with questions?

For specific questions related to your scope of works or project please contact your relevant Curtin Responsible Officer.

For all other queries, please contact Health and Safety on 9266 4900 or email healthandsafety@curtin.edu.au.
