

PREDICTED ATAR FORM

For School Leaver Entry to the

Bachelor of Medicine, Bachelor of Surgery (MBBS)

Notes for Applicants

**THIS PAGE SHOULD BE RETAINED BY YOUR SCHOOL- DO NOT SEND
TO CURTIN MEDICAL SCHOOL (MEDICINE)**

- This form is for use by **domestic and international applicants who wish to apply for the School Leaver Entry** to the MBBS at Curtin University and are currently undertaking secondary school study in **Western Australia**. **Applicants undertaking secondary school study in other Australian states or overseas are NOT required to submit a predicted ATAR form as assessment will be based on actual ATAR (or equivalent) results when available.**
- Page 1 of this form authorises your school to send an indication of your academic ability directly to Curtin Medical School (Medicine) and should be retained by your school. It must be signed by you and your parent/guardian.
- Page 2 of this form outlines the information required by Curtin Medical School (Medicine) and should be submitted no later than **28 October 2022 at 5:00pm AWST**.
- This form must be completed and returned to CMSfuturestudents@curtin.edu.au by your School Principal or their authorised representative.
- All applicants must:
 1. Have sat the UCAT ANZ test in 2022.
 2. Have applied for MBBS via the Tertiary Institutions Service Centre (TISC) (if domestic) or via the online application portal or a registered agent (if international).
 3. Be expected to achieve the minimum academic score (**ATAR of 95 or equivalent**).
 4. Be enrolled in Chemistry ATAR/IB Chemistry HL/SL (or otherwise satisfy the Chemistry ATAR pre-requisite).

Family Name																
Given Name/s

Curtin Medical School (Medicine)

Predicted ATAR Form- SUBMIT THIS PAGE ONLY

Family Name								
Given Name/s								
Birth Date	D	D	M	M	Y	Y	Y	Y
TISC ID Number					2022 UCAT ANZ ID			
Prediction of Academic Performance – Principal’s Statement¹								
<p>This student is currently in Year 12. Based on performance to date (after end of year exams), I estimate this student’s ATAR or IB score is expected to lie close to:</p> <p><small>Please provide an ATAR or IB score to two decimal places, a range of scores will not be accepted</small></p>								
School verification (to be signed, digitally preferred) by the School Principal or authorised representative)								
School Name								
Name								
Signature								
Date	D	D	M	M	Y	Y	Y	

¹This prediction, along with performance in the UCAT ANZ, will be used to determine whether a student may be invited to an interview before the actual academic results are available. In the final decisions about selection, the actual academic results will always be used.

Students whose predicted academic result is below the admissions threshold, but whose actual academic result is at or above the threshold, will be eligible to be considered for interview in the subsequent round, provided they have sat the UCAT ANZ and have passed Chemistry ATAR or IB Chemistry HL/SL.

Form Return Details

Closing Date: 5:00pm AWST, 28 October 2022

Email Address: CMSfuturestudents@curtin.edu.au

This form must be completed and returned by the School Principal or their authorised representative ONLY. Predicted ATAR forms received from applicants or their family members will not be accepted.

Please ensure that each form is saved as an individual file for each student.
